

X-GRILLE BASIC

The new X-GRILLE Basic ventilation grilles with their gently sloped border combine function with an attractive design. They can be installed in walls, ceilings or rectangular ducts.

- Energy-efficient and acoustically optimised air discharge
- Symmetric blade profile for two-way entry flow
- Uniform look and easy adjustment due to concealed blade linkage
- Gently sloped border construction, almost completely flush with the installation surface
- Use of existing rear assemblies
- Easy replacement of existing grilles due to standard installation dimensions
